

Biogas Products

Biogas Industry Experts

Stainless Steel Fabrications

Client: OSCAR BIOENERGY
Location: Hong Kong

Project scope:

To supply F.O.B UK Port 2no biogas condensate pots.

Design Requirement:

Each condensate pot is 800mm diameter with 400mm NP16 flange connections all manufactured in 316SS. The biogas flow is 2200m³/hr with a design requirement of a maximum pressure drop through the condensate pot to be no more than 1.8mbar.

Products / Services supplied:

The condensate pots were designed, manufactured, pressure tested and packed ready for shipment at our Works.

Outcome:

The Condensate Pots were manufactured on time and shipped to Hong Kong.
