

Biogas Products

Biogas Industry Experts  Stainless Steel Fabrications

Client: Intec Maritime Services Corp
Location: Client USA, Delivery Spain
Summary: To supply various size basket strainers

Project scope:

Biogas Products Ltd were contracted to design, manufacture and supply 2 no stainless steel 'Vertical' basket strainers and 1 no stainless steel 'horizontal' basket strainer.

The strainers were to be delivered to Cadiz, Spain where they were to be fitted to the swimming pool plant room of the 'Oasis of the Seas' cruise liner which was undergoing major refurbishment.

Design Requirement:

The basket strainers were designed with 3mm perforations and a viewing window in the lid. Drawings were produced and approved by the client before manufacturing began.

Products / Services supplied:

The basket strainers were manufactured and pressure tested to 3 mbar at our Works.

Outcome:

The basket strainers were delivered and successfully installed by the client.

Vertical
